Hi Tom,

Last weekend, I went to Villarrica with my family. We traveled by car and stayed at a small hotel near the lake. The weather was cool and cloudy, but it was very nice. During the trip, we walked around the lake, visited some beautiful places and ate delicious food. The lake was beautiful and the views were amazing. I slept very well at the hotel because it was quiet. I had a great time with my family. It was a memorable trip!

See you,
Javier
